

# The most durable floor marking tape

SUPERIOR DURABILITY • EASY APPLICATION • HIGH VISIBILITY

## Superior Durability

**Spend less time replacing damaged or worn lines for a better looking, more efficient facility.**

- Withstands forklift traffic without tearing or lifting
- Low profile design minimises tears and scratches from skids, pallet jacks, etc.
- Rugged polyester with ultra aggressive adhesive

## High Visibility

**Get the same visibility of painted floor markings – and pay less.**

- High gloss surface shines like new paint
- Low-profile minimises debris build-up along the edges that occurs with thicker (extruded) floor tapes
- Surface resists marks and smudges and cleans up like new
- Available in a variety of high impact colours
- Ideal floor marking systems for **Lean Manufacturing environments**

## Painless Removal

**Easily remove floor markings without damaging the floor or leaving adhesive residue.**

- Does not chip and flake when being removed – comes off in one piece
- Clean removal without any unsightly adhesive residue or damage to the floor
- Offers more flexibility in floor marking configuration, which is crucial in a Lean Environment.

## Easy Application

**Quickly lay down smooth, straight lines – without the help of co-workers.**

- Can be easily applied by one person working alone
- Stiff polyester with liner prevents tape stretching and reduces wrinkles and wavy uneven lines
- No special floor preparation required – just clean with common detergents
- A demonstration on how to apply the tape is available on [www.bradyeurope.com/toughstripe](http://www.bradyeurope.com/toughstripe)

## Die-Cut Shapes

**Use different shapes, colours and sizes for more effective, durable floor markings.**

- Dashes, dots, arrows, footprints, and corner marks (L, T and + shapes)
- Dashes are highly recommended in areas where there is heavy forklift traffic
- Longer lasting markings – Minimises the risk of damage and facilitates fast repair
- **Selected dashes, dots and arrows are pre-spaced on transfer tape, making it incredibly easy to lay down straight evenly spaced lines**

# Brady B-514 Floor Marking Polyester

ToughStripe™ Floor Marking products are made with Brady's new B-514 Polyester. ToughStripe products are ideal for marking aisles, passageways and storage locations, and pointing out important safety equipment and egress paths.

- 0.2 mm thickness
- Service temperature range of -18°C to 54°C
- Application conditions: min. 5°C, dry floor
- Recommended for indoor use and dry environment
- Resistant to harsh chemicals
- Exceeds safety standards for clean, dry non-slip surfaces per OSHA 1910.22

# TOUGHSTRIPE Free Sample!

Try the most durable floor tape in your facility - risk free!

ToughStripe™ floor tape offers superior durability, easy application and high visibility. Plus, it's test-proven to withstand forklift traffic better than other tape-based floor marking products!

Toughstripe samples are available on request, in rolls or die-cut shapes. **Contact your local office below and get your sample for free!**

## WHAT MAKES THE DIFFERENCE BETWEEN PAINT AND BRADY TOUGHSTRIPE PRODUCTS?

Standard Paint	Brady ToughStripe™ Floor Marking
<ul style="list-style-type: none"> <li>• More durable</li> <li>• Can be applied to almost all surfaces</li> <li>• Indoor/outdoor use</li> </ul>	<ul style="list-style-type: none"> <li>• Flexible - easy to replace</li> <li>• Suits to manufacturing, warehouse but also to administration premises</li> <li>• Removable in one piece</li> <li>• High gloss surface shines like new paint</li> <li>• Easy to clean</li> <li>• Ready made shapes</li> </ul>
